*"The staff at Valley Spring saved my life. The IOP program was exactly what I needed — flexible enough to keep working but structured enough to keep me accountable."*

SARAH M. · APR 02

*"Highly recommend their dual diagnosis program. They actually listened to me about my anxiety and didn't just push pills."*

MICHAEL R. · APR 08

*"My son went through detox here. Communication with the family was great. Only knock is the food could be better."*

JENNIFER K. · APR 14

*"Came in skeptical, left with tools that actually work. The MAT program changed everything."*

DAVID L. · APR 19

*"Beautiful facility, kind staff, real recovery. I've been to three other centers and Valley Spring is the only one that felt like home."*

AMANDA P. · APR 24

*"Good experience overall. The aftercare program kept me connected after I left, which was huge."*

ROBERT C. · APR 29
