Apr 02

"The staff at Valley Spring saved my life. The IOP program was exactly what I needed — flexible enough to keep working but structured enough to keep me accountable."

— Sarah M.

Apr 08

"Highly recommend their dual diagnosis program. They actually listened to me about my anxiety and didn't just push pills."

— Michael R.

Apr 14

"My son went through detox here. Communication with the family was great. Only knock is the food could be better."

— Jennifer K.

Apr 19

"Came in skeptical, left with tools that actually work. The MAT program changed everything."

— David L.

Apr 24

"Beautiful facility, kind staff, real recovery. I've been to three other centers and Valley Spring is the only one that felt like home."

— Amanda P.

Apr 29

"Good experience overall. The aftercare program kept me connected after I left, which was huge."

— Robert C.
